REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Northside Middle School is to ensure that all learners achieve personal success through an atmosphere of respect, responsibility and readiness to learn. Our school initiatives are designed to empower today’s students for tomorrow’s opportunities.

Northside is an outstanding school with high expectations and academic excellence as primary goals. We are committed to providing a learning environment where students are challenged to acquire the skills and knowledge necessary for future success. “Closing the Achievement Gap” continues to be a major focus as we strive to meet the academic needs of all of our students. With standards-based instruction as a highest priority, teachers and administrators work together in professional learning communities to find new instructional strategies that will enable them to move all students to their greatest academic potential. All students participate in MAP testing in the areas of reading and math in the fall and spring. Test data is analyzed in an effort to identify the academic strengths and weaknesses of individual students. Northside teachers offer remediation during Related Arts time designed to provide assistance for students in all academic classes. Many teachers provide time for tutoring students before and after school. Our students are not only successful academically, but also in athletics and all areas of arts. Football, basketball and soccer teams won city and/or region championships this year.

The NMS National Junior Beta Club inducted 52 students this year and participated in a number of community activities and events.

The fourth year of the AVID (Advancement via Individual Determination) Program was also a tremendous success. The goal of the AVID program is to close the achievement gap by preparing all students for college readiness and success in a global society. Students participated in quarterly goal setting and academic awards, went on several college visits, learned how to take Cornell notes, and kept an organizational binder.

Our Positive Behavior Intervention and Support (PBIS) Initiative continued to have an impact during our fourth year of implementation. Positive behaviors were identified, taught, modeled, and acknowledged throughout the school. Students collected Medieval Money and earned rewards for exhibiting positive behaviors. Good Behavior celebrations were held each quarter to recognize appropriate behaviors. Our data for the year indicted a continued decrease in the number of office referrals and suspensions

The faculty and staff appreciate a supportive PTO and School Improvement Council. Our PTO continues to provide funds for extracurricular events and clubs, as well as behavior incentives.

Our goal is to provide students with diverse and challenging opportunities that will bridge the gap to the future and enable them to develop skills to ensure success throughout their educational careers and beyond.

Cynthia C. Storer, Principal Tammy Gravely, SIC Chairperson
